

Green Circle Trail Memorial/Tribute Bench Program

The Green Circle Trail Memorial/Tribute Bench program offers a unique opportunity to honor a person, place or event while contributing to beautifying and maintaining one of Wisconsin's favorite places to hike, bike, jog and enjoy nature: the Green Circle Trail.

A contribution of \$5,000 is required to fund the purchase and installation of a bench with a commemorative plaque. The donation covers the purchase and installation of the bench and ten years of maintenance. Any remaining proceeds go to support the Green Circle Trail Fund in the Community Foundation of Central Wisconsin to maintain and enhance the Trail.

Bench Location: *Bench locations along the Trail are limited and shall be determined by the Green Circle Board.* Locations may be subject to change at any time, depending on trail route, trail conditions, and adjustments in property owner/land agreements along the trail.

Example of Memorial/Tribute Bench and plaque (may not be exactly as pictured)

Bench Description: The bench shall be constructed of eco-friendly recycled plastic materials, with a length of 6 feet, and anchored securely in place to discourage theft or displacement. The Green Circle Trail reserves the right to alter bench design, depending on availability, cost and other factors.

Plaque Description: The plaque, mounted to the back of the bench, shall be made of bronze and measure approximately 8" W x 2.5" H, with a single line border, dark oxide background (dark brown) and leatherette texture. The plaque can accommodate up to 3 lines of text. The sponsor shall be provided a "proof" copy of the plaque for review and approval prior to production. The Green Circle Trail reserves the right to alter plaque design, depending on availability, cost and other factors.

If you are interested in ordering a Memorial/Tribute Bench or would like more information, please contact Steve Menzel at menzel.steve@gmail.com.
